**Communication with Youth Grades 7-12**

Youth often have their own cell phones and emails. The DRE may wish to communicate directly with youth throughout the program year. If the youth is under 18 years, when emailing the DRE will always Carbon Copy (CC) the primary parent/guardian contact. When phoning, the DRE will ask the youth to let thier parent/guardian know that they've been in contact. There is no obligation to provide the contact information for youth. If the parent/guardian is comfortable providing it, please do so below.

1. Youth Name	Email	Phone
2. Youth Name	Email	Phone
